

Pasa Pret Camp celebrates the holidays

For the final day of preschool before the Christmas break, Betty van de Beizen, the doyenne of Pasa Pret Camp and her crew treated their charges to a festive Christmas lunch. She and her assistants personally prepared and served a traditional holiday meal; the children were all dressed up and the school was beautifully decorated, making it a special day for them at the Pasa Pret Camp.

Ranging in all ages, they camp entertained not only their charges, but older siblings as well so it was a real family affair and it was a very special way for them to end the school term before the long holiday break!
